

Magyarország napsugárzási térképe

Global irradiation and solar electricity potential
Optimally-inclined photovoltaic modules

Hungary

Yearly sum of global irradiation [kWh/m²]

<1250 1300 1350 1400 1450 1500>

<938 975 1013 1050 1088 1125>

Yearly electricity generated by 1kW_{peak} system with performance ratio 0.75 [kWh/kW_{peak}]
